ABOUT GWL VOICES

GWL Voices for Change and Inclusion brought together women who, as part of their individual profiles and professional trajectories, have forged significant contributions from the unifying perspective of multilateral agendas for promoting humanitarian relief, advocating for human rights principles and normative policies, advancing sustainable development, and seeking to lend solution to some of the world's most complex conflicts and challenges.

OUR OBJECTIVE

Call attention to and create awareness of the need to achieve full gender equality and empowerment of women across all ambits of society and the critical importance of multilateralism as a vehicle in support of this core objective towards building more inclusive and equitable societies.
